**JUSTIFICATION:**

Prior to the hunt, a quota of twenty-six bull moose that do not conform with the general season antler restrictions was established for the Copper Basin Community Subsistence Harvest Hunt (CM300) in Game Management Unit 13B. The quota was based on sustainable harvest principles and current population estimates. The quota of bulls that do not meet the general season restrictions has been met for Unit 13B

Copper Basin community moose hunters can still hunt moose in Units 13A, 13B, and 13E through the end of the regularly scheduled season (September 20), however all bulls taken must conform to the general hunt antler restrictions (spike-fork antlers or 50-inch antlers or antlers with four or more brow tines on one side).

The Board of Game allocated up to 100 moose that do not conform to general season antler restrictions to the Copper Basin Community Subsistence Harvest Hunt. The cumulative quota for the 2014-15 season was set at 90 moose due to the low bull:cow ratio observed in Unit 13A West. The following table lists the quotas for each hunt area and the general season antler restrictions.

This emergency order changes only the bag limit in Unit 13B. Bulls that do not meet the general season antler restrictions can still be taken in the remaining open subunits of Unit 13, per the table below. All other state hunting regulations still apply, including the closure of the take of all big game in the Paxson Closed Area.

CM300 Quota of Bulls That Do Not Meet General Season Requirements	Hunt Area	General Season Antler Restriction for all other resident hunters
0	Open portion of GMU 12	Spike/fork, or 50" antlers, or 4 or more brow tines
0	GMU 13A West	Spike/fork, or 50" antlers, or 4 or more brow tines
6	GMU 13A East	Spike/fork, or 50" antlers, or 4 or more brow tines
26	GMU 13B	Spike/fork, or 50" antlers, or 4 or more brow tines
16	GMU 13C	Spike/fork, or 50" antlers, or 4 or more brow tines
11	GMU 13D	Spike/fork, or 50" antlers, or 4 or more brow tines
21	GMU 13E	Spike/fork, or 50" antlers, or 4 or more brow tines
10	GMU 11	Spike/fork, or 50" antlers, or 3 or more brow tines
