

Notice of Public Meeting of the Alaska Board of Game

Regarding Unit 26B brown bear hunting

Notice is given that the Alaska Board of Game will meet by teleconference at 5:30 p.m. Wednesday August 4, 2010. The purpose of the meeting is to consider a request for from the Department of Fish and Game for an emergency regulation on brown bear hunting in Unit 26B.

This request is considered under the Joint Board Petition Policy (5 AAC 96.625(f)) based on an unexpected resource situation where a biologically allowable harvest would be precluded by delayed regulatory action.

The meeting is open to the public. The board will not be taking public testimony during this meeting. A live audio stream of the meeting will be available on the internet from the Board of Game website at: <http://www.boards.adfg.state.ak.us/gameinfo/index.php> . Please contact ADF&G Boards Support Office in Juneau at 465-4110 if you need other arrangements for listen-only access to the teleconference.

Meeting materials including the request will be posted on the Board of Game website at <http://www.boards.adfg.state.ak.us>, and are available through the Alaska Department of Fish and Game, Boards Support Section at 465-4110.

If you are a person with a disability who may need a special accommodation in order to participate in the process on the proposed regulations, please contact Scott Crass at 465-4110 no later than 4:00 p.m. Wednesday August 4, 2010 to ensure that any necessary accommodations can be provided.
