SOUTHEAST ALASKA COMMERCIAL DUNGENESS CRAB FALL SEASON CLOSURE

The commercial Dungeness crab fishery in Registration Area A (Southeast) will close in most areas by regulation at 11:59 p.m. on Monday, November 30, 2020, consistent with 5 AAC 32.110. Districts 1 and 2, and Section 13-B outside of the Sitka Sound Special Use Area [5 AAC 32.150(10)] will remain open until February 28, 2021.

For those areas that close at 11:59 p.m. on November 30, all Dungeness pots must be removed from the water except that pots may be stored on the grounds with all pot doors secured fully open and all bait and bait containers removed for no more than 72 hours [5 AAC 32.052(b)(2)(A)]. Reporting of lost pots, or pots left in a closed area in fishing condition should be directed to the Alaska Wildlife Troopers (AWT) offices in Juneau, Ketchikan, or Petersburg (contact numbers are listed below).

As per 5 AAC 32.031(d), all crab must be landed within 24 hours of a closure. Vessel operators unable to meet this deadline must contact regional shellfish staff within the 24 hours following the closure to request authorization to possess Dungeness crab for a longer period of time. Additionally, gear storage extensions due to extreme weather or vessel breakdown may be obtained by contacting regional shellfish staff [5 AAC 32.052(c)] before 11:59 p.m., Thursday, December 3, 2020.

Contact numbers for requesting extended holding and gear storage extensions are as follows:

Adam Messmer: (907) 723-3342, (907) 465-4853

April Rebert: (907) 465-4274

Tessa Bergmann: (907) 772-5236, (907) 518-4421

Under Alaska's Health Orders 5, 6, and 8, commercial fishing is an Essential Business and is part of Alaska's Essential Services and Critical Infrastructure. Commercial fishermen should ensure that all travel and other activities in support of commercial fishing operations follow protocols in Alaska COVID-19 Health Orders. COVID-19 Health Orders may be found here: <https://covid19.alaska.gov/health-order/>.
