**2022 SOUTHEAST ALASKA SALMON DRIFT GILLNET AND PURSE SEINE
TASK FORCE MEETINGS**

The department holds annual meetings each year with fishery managers, fishery researchers, hatchery operators, fishermen, fishing organizations, processing company representatives, and any other interested parties to review the previous salmon season, discuss topics of importance for management of the fisheries, and plan for the following season. Task force meetings have rotated between communities to provide increased access and participation. This year, the meetings will be conducted in Ketchikan, Alaska at the Ted Ferry Civic Center and virtually via Zoom™.

If attending a meeting via Zoom™, a Zoom™ account or app is not needed. Participants can attend by clicking a meeting link below or entering a meeting link into a web browser, and then registering for the meeting. Once registered, an email will be sent containing information about joining the meeting either virtually or telephonically.

The 2022 Drift Gillnet Task Force meeting is scheduled for Tuesday, November 29, 2022, from 9:00 a.m. until 5:00 p.m. To register in advance:
