# Slaughter Ridge-Lisa Creek Mt. Goat Hunt Zone Closed

(Sitka) – Hunt managers set a harvest quota of 2 males or 1 female for the Slaughter Ridge-Lisa Creek hunt zone of mountain goat hunt RG150 on Baranof Island. Quotas are based on the most recent aerial surveys.

To date, two male goats have been harvested in the Slaughter Ridge-Lisa Creek hunt zone of RG150. The management objective for this zone has been met and no further harvest is warranted. Therefore, this zone is being closed by emergency order.

**Emergency Order 01-4-19 was issued to close the mountain goat season in the Slaughter Ridge-Lisa Creek Zone of RG150 on Wednesday, August 7, 2019 @ 11:59 PM.**

Those portions of Unit 4 not affected by this emergency order will remain open until harvest quotas are reached or the season concludes.

Previous EO's are listed online at:  
<http://www.adfg.alaska.gov/index.cfm?adfg=wcnews.main>.

For additional information please contact the Sitka area office at (907) 747-5449.
