

Unit 19A

Upper Holitna-Hoholitna Management Area

AREA DESCRIPTION: Unit 19B, the area consists of all portions of Unit 19B within the Aniakh, Kipchuk, Salmon, Holitna, and Hoholitna river drainages.

All hunters in the area passing a check station established by the department must stop at that check station; a moose or caribou taken in the area by a hunter accessing the area by aircraft must be transported out of the area by aircraft.
