

**Fish Transporter Permit Application**

A commercial fish transporter is an individual who transports commercially caught salmon, herring, or pacific cod on behalf of the commercial fisherman to the buyer. Fish can be transported anywhere within the state through any means - truck, plane, four-wheeler, etc. to any licensed buyer or private party. If you are using a vessel to transport the fish, the vessel must be licensed through the Commercial Fisheries Entry Commission.

A \$25 application processing fee must be submitted to ADF&G with this application for permit approval.

**Certification Statement**

I certify under penalty of perjury that I only transport fish for commercial fisherman for sale to licensed buyers, or for sale as an agent of a catcher/seller. I am not authorized to export any fish out of state or to process fish under this permit. If the intent of my operation changes, I will notify the Alaska Department of Fish and Game and obtain any additional required permits at that time.

I agree to abide by the guidelines set out in the Instructions for Fish Transporters.
