

Submitted by the Alaska Department of Fish and Game
December 3, 2012

The following was inadvertently left out of staff comments for Proposal 204.

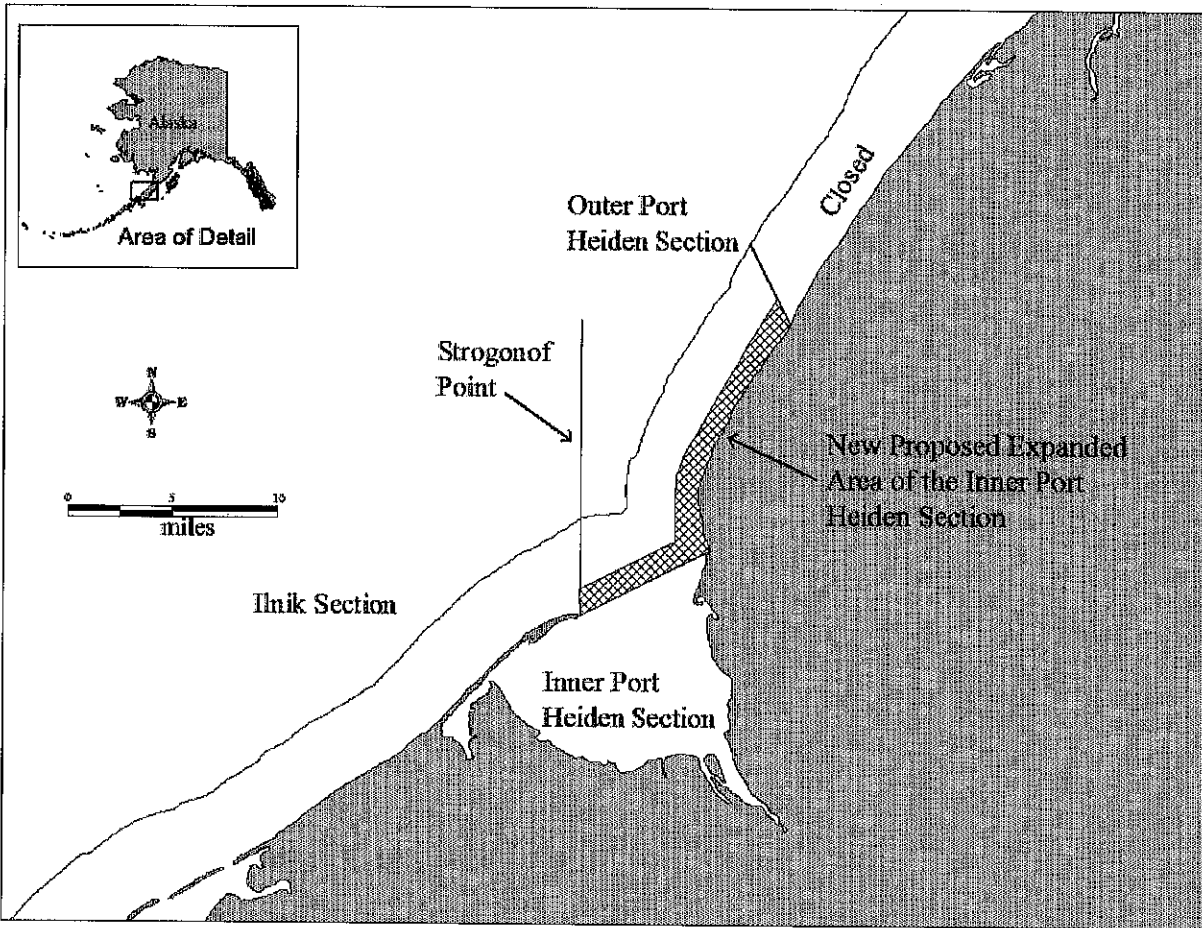

Figure 204-1.—Proposed expansion of the Inner Port Heiden Section shown in crosshatch.

Table 204-1.--Estimated subsistence salmon harvests, Port Heiden residents, 1985–2011.

Year	Permits Issued	Estimated Harvest					Total
		King	Sockeye	Coho	Pink	Chum	
Port Heiden Local Residents
