

RC 161

Mark Glassmaker: Proposal 79

Proposal 79: This proposal was submitted with the intent of protecting West Side Cook Inlet River mouths from excessive commercial fishing for Coho salmon in August. This proposal can be taken as a whole or in part as separated below:

Regulations 5 AAC 21.350

- ✓ (A) Within one statute mile of the terminus, at mean low tide, of the Kustatan River...
- ✓ (D) within 500 yards of the terminus, at mean low tide, of any anadromous fish stream;...
