This index of on-time advisory committee and public comments shows either SUPPORT or OPPOSITION for the individual proposals at this meeting. The center column indicates a comment was made but without a clear indication of support or opposition. Comments that did not state a proposal number are not included here. The reference number (AC## or PC##) refers to the Advisory Committee comment number or Public Comment number. The full comment can be found in the Advisory Committee tab or Public Comment tab of the board book (Record Copy 1). The notation of "S/A" indicates support as amended.

N = Neutral, S = Support, O = Oppose, NA = No Action, WS = Withdrawn Support
