

RC316

Dear Board of Fish members

Hello my name is Ryan Cook and I am a Gill netter out of Haines and have fish exclusively in 15a and 15c in my 10 years of operating my own boat. I would like to express a couple of possible changes to the proposed Option B of the king Salmon Action Plan in RC 266, directed at the net fisheries.

For the first two weeks of the season open the area south of the latitude of Vanderbilt Reef light.

Extend the Boat Harbor THA to within 2 miles of the shoreline in the first 2 weeks. This was shut down to 1 mile for sockeye concerns, NOT King Salmon.

I support all other suggestions for district 15.

Thank you for considering

Ryan Cook
