PROPOSAL 9

5 AAC 58.022. Waters; seasons; bag, possession, annual, and size limits; and special provisions for Cook Inlet — Resurrection Bay Saltwater Area.

Establish a seasonal limit of five king salmon in Cook Inlet from October 1–April 30, as follows:

Establish a Cook Inlet winter King Salmon seasonal limit of 5 fish per angler between the dates of October 1 to April 30.

What is the issue you would like the board to address and why? Establish a seasonal limit for winter king salmon in Cook Inlet of 5 fish per person per winter season, this winter seasonal limit will not affect the annual seasonal cook inlet of King salmon, a person could catch 5 kings in the summer, & 5 kings in the winter season. King salmon stocks are at all time lows throughout the entire North Pacific Ocean.
