

PROPOSAL 136

5 AAC 77.682. Personal use salmon fishery.

Include commercial harvested salmon to fish that may not be possessed on the same day sport or personal use salmon are taken, as follows:

No person may possess personal use-taken and sport taken **or commercial taken salmon** on the same day.

What is the issue you would like the board to address and why? To help prevent personal use fishing as a method of illegal commercial fishing.
