ALASKA BOARD OF FISHERIES
Southeast and Yakutat Finfish and Shellfish Meeting

March 10-22, 2022, Egan Civic and Convention Center, Anchorage

TENTATIVE AGENDA
(revised January 28, 2022)

NOTE: This tentative agenda is subject to change throughout the course of the meeting.

This Tentative Agenda is provided to give a general idea to the public of the board's anticipated schedule. The board will attempt to hold to this schedule; however, the board is not constrained by this Tentative Agenda. Sign-up is done through pre-meeting registration or at the door registration. To register in advance of the meeting go to <http://www.adfg.alaska.gov/index.cfm?adfg=fisheriesboard.meetinginfo&date=03-10-2022&meeting=anchorage>.

To streamline ADF&G staff involvement and improve the public's ability to manage their time around issues, the board is separating the meeting into three general sessions. The first will take up all herring proposals. The second session will include groundfish and shellfish proposals. The third session will include salmon and non-groundfish finfish proposals. Each session will include related ethics disclosures, staff reports, oral public testimony, committees, and deliberations for those proposals. Once all matters related to the first session are complete the board will take up the second session and similarly for the third session. Those registered for Sessions 2 and 3 are advised to follow the meeting to ensure they are prepared to participate. This agenda reflects this process and projected timeline. Everyone planning to testify in-person is strongly encouraged to sign-up well before the meeting. ADF&G intends to use contact information to inform attendees of the meeting status.

The board is also accepting registration for the public to testify remotely at Southeast ADF&G offices or venues to be announced. Registration to provide public testimony must be done in advance of the meeting no later than March 3, 2022, to allow ADF&G to prepare for the testimonies. There is no exception to this sign-up deadline for remote testimony.

REMOTE TESTIMONY:

Deadline for SIGN-UP TO TESTIFY REMOTELY ON **ALL SESSIONS AND ALL PROPOSALS** is Thursday, March 3, 2022.

IN-PERSON TESTIMONY:

Deadline for SIGN-UP TO TESTIFY ON **SESSION 1: HERRING PROPOSALS** will be Thursday, March 10 at 10:00 a.m.

Tentative deadline for SIGN-UP TO TESTIFY ON **SESSION 2: GROUND FISH AND SHELL FISH PROPOSALS** will be Sunday, March 13 at 2:00 p.m., although interested parties are encouraged to monitor the status of Session 1 in the event Session 2 begins prior to March 13.

Tentative deadline for SIGN-UP TO TESTIFY ON **SESSION 3: SALMON AND NON-GROUND FISH FIN FISH PROPOSALS** will be Thursday, March 17 at 2:00 p.m., although interested parties are encouraged to monitor the status of Session 2 in the event Session 3 begins prior to March 17.

Tuesday, March 22, 8:30 a.m.

BOARD DELIBERATIONS on Group 8

BOARD ACTION ON STOCK OF CONCERN SALMON ACTION PLANS

MISCELLANEOUS BUSINESS

ADJOURN

AGENDA NOTES:

- 1) This agenda is TENTATIVE and subject to change during the meeting. A list of staff reports and roadmap will be available at the meeting. Schedule updates will be posted at the meeting. An audio of the meeting should be available at the Board of Fisheries webpage (<http://www.adfg.alaska.gov/index.cfm?adfg=fisheriesboard.main>) during periods when the board is on the record.
- 2) Testimony is expected to be limited to three (3) minutes for individuals and groups and ten (10) minutes for advisory committee representative and regional advisory council representatives. These times may be changed by the chair in order to manage the volume of the workload. Advisory committee and regional advisory council representatives may present reports either at the beginning or end of public testimony. The representative should notify the board secretary whether he or she prefers the beginning or end of public testimony.
- 3) BOARD COMMITTEES AND PUBLIC PANELS: The board has established a number of board committees to provide additional review of proposals. Board committees are comprised of board members. The board selects public advisors to the committees from a list of qualified and interested members of the public compiled by the committee chairs following the oral testimony portion of the meeting. Advisory committee representatives are ex-officio advisors to all board committees and may move between board committees as they choose. The purpose of the committee process is to: 1) broaden public participation in the regulatory process; 2) provide another forum for stakeholders to discuss resolution of contentious issues; and 3) provide additional detailed information relative to proposals. **Committee of the Whole will serve as the committee structure for this entire meeting.**
