**What is the issue you would like the board to address and why?** I would like to separate the setnet scheduled opening in the June and post June schedule from the drift and seine openings. and would like to move some fishing time from the June fishery to the post June fishery as the setnet fishermen are struggling to catch salmon in the early part of the season the salmon are running offshore and Arnt in the bays or closer to shore till late June. I attempted to make the closures to coincide with the seine and drift schedule. this proposal is an attempt to keep fishing hours the same but to distribute more evenly through July.
