FISHERIES ENTRY COMMISSION ON ALASKA HERRING REVITALIZATION**

**REVISED NOTICE OF PUBLIC MEETING**

Through the Alaska Board of Fisheries (board) Charge Statement [2024-304-FB](#), the board and the Alaska Commercial Fisheries Entry Commission (commission) formed a joint committee to review the commercial herring industry statewide. The review will focus on current and potential markets, differences among Alaska's regional herring fisheries, and potential legal pathways to resolve changes to regulatory systems. Through information gained by the committee, both the board and commission may independently consider governance changes to improve the Alaska herring industry.
