

PROPOSAL 286

5 AAC 35.507. Kodiak, Chignik, and South Peninsula Districts *C. bairdi* Tanner crab harvest strategies.

Repeal South Peninsula District Tanner crab harvest strategy and replace with size, sex, and season management, as follows:

We would like the Tanner crab fisheries in the South Peninsula of Area J to be managed similar to South Peninsula Dungeness crab fisheries size, sex and season. Maintain the South Peninsula Tanner crab pot and vessel length limits.

What is the issue you would like the board to address and why? Underutilization of the Tanner crab resource in the South Peninsula District of Area J.

Did you develop your proposal in coordination with others, or with your local Fish and Game Advisory Committee? Explain. The proposal was developed with other fishermen from the region.
