

PROPOSAL 41

5 AAC 34.XXX. New Section and 5 AAC 35.308. Registration Area E Tanner crab harvest strategy.

Adopt new Prince William Sound king and Tanner crab harvest strategies, as follows:

Establish harvest strategy for king and tanner consistent w/B.O.F. policy. See supporting document.

[A note from Boards Support: nine additional pages accompanied this faxed proposal and this was deemed too much to include in the proposal book. The authors of this proposal are encouraged to submit that as written comments for the Prince William Sound and Upper Copper/Upper Susitna finfish and shellfish meeting.]

What is the issue you would like the board to address and why? ADF&G King & Tanner Crab harvest strategies are wildly inconsistent w/established policy.

Did you develop your proposal in coordination with others, or with your local Fish and Game Advisory Committee? Explain. Yes. Since 1988 have tried to reestablish fisheries.

PROPOSED BY: Robert A Smith and Warren Chappell
