

TSI supports RC140 w/ the amendments:

- Amend (b) 4) troll fishery: **80** percent...
- Amend (b) 5) sport fishery: **20** percent...

- Amend paragraph c) 2 – change the lower threshold to 22,327 and c) 3 change the threshold to 22,327. See below:
 - (2) when the sport allocation is between **22,327** [34,303] and 55,420 fish, the resident bag limit is two king salmon, 28 inches or greater in length;
 - (3) when the sport allocation is less than **22,327** [34,302] fish, the resident bag limit is one king salmon, 28 inches or greater in length;

- Add language to explicitly say the following:

The commissioner is directed to regulate resident and nonresident fisheries, or guided and nonguided fisheries, including bare boat rental fisheries, differently to achieve the objectives of this management plan.
