5 AAC 92.011. Taking of game by proxy. (a) A resident hunter (the proxy) holding a valid resident hunting license may take only moose, caribou, and deer for another resident (the beneficiary) who is blind, physically disabled, or 65 years of age or older, as authorized by [AS 16.05.405](#) . A person participating in a proxy hunt, except hunts requiring that complete antlers and skull plates be submitted to the department, must remove at least one antler from the skull plate or cut the skull plate in half (on antlered animals) for both the proxy’s animal and the beneficiary’s animal before leaving the kill site.

- ...
- (2) In addition, proxy hunting is prohibited in the following hunts because use of the proxy would allow circumvention of harvest restrictions specified by the board.
- (A) Unit 20(E) moose and caribou registration hunts (RM865 and RC860 and RC867)
 - (B) Units 21 and 24 moose registration hunts (RM832 and RM834) if you hold a drawing permit for the Galena area
