Re: Expedited Implementation - Proposals 35 & 36
(~~4~~ or others)

Given the response from Lt Gov's office when follow-up on status of ^{of Expedited Implementation} proposal 8 from AYK/BOG meeting occurred, - that they weren't made aware of time sensitive/urgent nature, - it may be worth special note to that office that Expedited Implementations means response ASAP - preferably same day received.

It does not mean sitting on a desk for 3 weeks awaiting leisurely review/signature/action at personal convenience... (perhaps more diplomatically stated).

From Greg Roczicka:
