Substitute language for Proposal 70

92.072. Community subsistence harvest hunt area and permit conditions.

**(j) In this section, a “community” or “group” is a group of people linked by a common interest in, and participation in uses of, an area and the wildlife populations in that area, that is consistent with the customary and traditional use pattern of that wildlife population and area as defined by the board.**

**(k) In this section, “person” means a single (one) individual who is engaged in harvesting and using a wildlife resource for subsistence uses as defined in AS 16.05.940(33).**
