✓ Approval of agenda passed with 1 addition

✓ Approval of minutes - moved & passed -

Public comments or concerns -

Star - citation from couple of yrs ago  
Charges dropped wait his pet returned  
They can - too many bears in northern  
side of KUL -

Lance - lots of bears ~~are~~ caribou population  
down - cash incentive to see them  
get 2 or 3 bears a year - 19 bears  
in the Natch River every sow had  
3 cubs - increase the take

Jim caribou 15 per day to person  
for caribou - should be 5 per day  
Federal lands - work w/ Park SVC on  
the corridor not on corridor, need to  
shift - cut the Nigamikfang - might  
path to One Portage -

Parry how do we get started on  
a proposal like that,

Draft by May 1st

Discussion on proposals -

(3)

Go online w/ OSM Proposal -

Federal Regulation Booklet -

Mike Priddy on carbon hand, predator

Control, removing some day air restrictions on bear -

push to eliminate transporters

buy back land & shoot for wolves

move carbon to guides only -

don residents registered guide

Problem grizzly bears - get any hunter to catch a bear -

should hear back from Melinda soon -

Emb - this fall we never get carbon again for 3rd yr in a row -

Read Jim Davis report - late migration warm weather +1 to Arch Bk

Way # of pm local hunters 1500 & increasing, most heavily Aggie

Eli d (?) Squirrel River - cause

down in on migration route, -

because they were plugged up - ✓

forced to go further & further away -

50% sports hunters - in our freezers 3 year

now - forced to go hunt further & further away by 1 part hunters

over 500 down of gas at Noatak -

We have to do something with the overpopulation of sports hunters -

Lower - collapsed carbon Jim Dan's report - start observation (?) towers -

Jim Dan report -

Proposed in March from Board of Game -

Hiker lift restrictions on bears & wolves to allow people to pursue these animals - eliminate transporters unless w/ guides -

Walter & Marlene case in -

~~Proposed~~ Proposal 202 - in March -

Proposal 202

Steve Baller - agree on any rules & regulations to keep our carbon in a safe place take harvest in November -

Proposal 202

Notion Soul Party Nancy March 201  
Marlene

OTZ - Mike more 2nd Alex moved

Noatak KVL - Enah made motion  
2nd by Janet - Passout

Changey Bob cycles -

(5)

Carmen -

Board of Game Board of fish -

~~Request~~ requests of proposals -  
- 60 days before each board meeting -

Panel support the 3 yrs but needs a more effective plan to meet not Anchoze or Wasilla

Enoch - kind of job 3 years do we need cases right away - have all 3 AC meetings more often -

Marlene Nathan & Marlene left

2:30 to

go report -  
March meeting - Anchoze

WAIT

Carmen & (7) Brandon Sa-to

Proposal #1 Antlerless Moose - reintroduced every cycle - of Bob - steady decrease

MIKE made a motion to approve 2nd by Mel -

# 43 - Brown bear remove fee for residents except for 8 years

Alex made a motion 2nd by

Mike - Passed -

Proposal 201 - Alex made a motion 2nd by Enoch - Passed -  
Watch KVU -

#203
