

PROPOSAL 128 – 5 AAC 85.025. Hunting seasons and bag limits for caribou. Allow the harvest of any caribou in Unit 10, Adak Island, as follows:

No limit, harvest ticket, no closed season.

What is the issue you would like the board to address and why? Allow any caribou, no closed season, no limit. Remove the bull restriction (no bulls January 1 – August 9). Unnecessarily restricts meat hunters that may harvest younger animals that are harder to determine sex.
