

PROPOSAL 129 – 5 AAC 85.045. Hunting seasons and bag limits for moose. Lengthen the resident hunting season for moose in Unit 9B as follows:

Unit 9(B)

RESIDENT HUNTERS: 1 bull by registration permit only; Sept. 1–Sept. 20 [15]

What is the issue you would like the board to address and why? The moose population in Unit 9B can sustain additional bull harvest, according to the Department of Fish and Game. We would like to increase hunting opportunity by increasing the season by five days. This would align fall seasons for residents with Unit 9C.
