

PROPOSAL 125

5 AAC 92.530(11). Management Areas.

Modify the Birchwood Management Area boundary in Unit 14C as follows:

The following management areas are subject to special restrictions:

...

(11) the Birchwood Management Area:

(A) the area consists of all land bounded on the south and west by Eagle River and the Joint Base Elmendorf-Richardson (JBER) Military Reservation, on the east by the [OLD GLEN] **Glenn** Highway, and on the north by Peters Creek;

...

What is the issue you would like the board to address and why? As currently worded in codified, the Eagle River Management Area and Birchwood Management Area overlap in that section of the Eagle River Drainage between the Glenn Highway and Old Glenn Highway. This proposal seeks to clarify this boundary to prevent confusion for hunters and land managers.
