*The online posting of the AC comments resulted in the following error. The hard copy of the AC minutes is complete. The online version will be corrected following the meeting.*

Dear Chairman Spraker and Board Members,

When reviewing the Kodiak AC Comments please refer to the following as it was deleted from the original Kodiak AC comments during electronic transfer to Board of Game.

Proposal 95. (2<sup>nd</sup> bullet point)

- Remove proposed Remove proposed in-person reporting requirement due to difficulty and expense for remote village users.

Proposal 103. (10<sup>th</sup> bullet point)

- This proposal undermines a highly successful management program which provides balance between economic stability and opportunity with maximum sustainability.

Proposal 106. (3<sup>rd</sup> bullet point)

- An 8-year penalty for taking a sow is unnecessary because many hunters only choose to harvest one bear in their lifetime.
