

PROPOSAL 111

5 AAC 92.011. Taking of game by proxy.

Allow proxy hunting for moose in Unit 21A and 21E as follows:

The GASH Advisory Committee would like to propose amending 92.011 to add Unit 21A and 21E to the list of areas in which proxy hunting is permitted for moose.

What is the issue you would like the board to address and why? An interpretation has been made that proxy hunting is not allowed for moose in areas with an any antlered bull bag limit. Proxy hunting is an important traditional practice and we would like to ensure that we are able to continue to proxy hunt for moose in Unit 21A and 21E.
