

PROPOSAL 134

5 AAC 85.045. Hunting seasons and bag limits for moose.

Open a resident youth hunt for moose in Unit 20C as follows:

In Unit 20C, add a line in for another resident hunt, one bull, youth hunt only with dates August 25 to August 31.

What is the issue you would like the board to address and why? Add a youth hunt to Unit 20C. Unit 20C is a great place with easy access to introduce youth hunters before the chaos of general season.
