

PROPOSAL 56

5 AAC 92.095. Unlawful methods of taking furbearers; exceptions.

Establish minimum distance requirements for trapping around dwellings in the Interior and Eastern Arctic Region as follows:

No trapping within one mile of a house/cabin/dwelling/mailbox.

What is the issue you would like the board to address and why? I want there to be regulation that prohibits a trapper from setting any traps within one mile from any house/cabin/dwelling. I'm tired of these road hunters that set traps and catch dogs/cats near our homestead and neighbors!
