

PROPOSAL 58

5 AAC 92.540(x). Controlled use areas.

Establish a Controlled Use Area for the Kaiyuh Flats area in Unit 21D as follows:

Establish a Kaiyuh Flats Controlled Use Area to exclude the use of aircraft for moose hunting for that portion of Unit 21D that coincides with the boundaries of the RM833 registration hunt area.

Hunt Area: Unit 21D, that portion south of the south bank of the Yukon River, downstream of the up-river entrance of Kala Slough, and west of Kala Creek.

Note: The Middle Yukon Advisory Committee submitted a map with this proposal, which is available on the Board of Game proposal book webpage at: www.adfg.alaska.gov/index.cfm?adfg=gameboard.proposalbook or by contacting the ADF&G Boards Support Section at (907) 465-4046.

What is the issue you would like the board to address and why? Local moose hunters accessing the Kaiyuh Flats portion of Unit 21D compete with hunters using boats and airplanes. With an increasing number of moose in the Kaiyuh Flats and low bull:cow ratios in the northern portion of Unit 21D, hunters will likely shift their demand toward the Kaiyuh Flats area. We would like the Board of Game to establish a controlled use area that prohibits the use of aircraft for moose hunters.
