

PROPOSAL 67

5 AAC 85.020. Hunting seasons and bag limits for brown bear.

5 AAC 92.132. Bag limit for brown bears.

Increase the bag limit for brown bear in Unit 21D as follows:

Residents Unit 21D **Two** [ONE] Bear August 10- June 30

What is the issue you would like the board to address and why? The Middle Yukon Advisory Committee would like an increased resident bag limit for grizzly bears in Unit 21D. We believe that there is a surplus of grizzly bears in this area and we would like to be allowed to harvest more. This will also help moose and caribou populations, which we also depend on.

PROPOSED BY: Middle Yukon Fish & Game Advisory Committee (EG-F19-138)
