

PROPOSAL 97

5 AAC 85.045. Hunting seasons and bag limits for moose.

Change the Tier II permit hunt for moose in Unit 19A to a registration permit hunt as follows:

Based on the allowable harvest we recommend moving from a Tier II hunt to a registration permit hunt. Permits only available in Unit 18 and 19 before the hunt.

5AAC 85.045 Hunting seasons and bag limits for moose:

Unit 19(A), that portion downstream from and including the George River drainage, and downstream from and excluding the Downey River drainage.

RESIDENT HUNTERS:

One antlered bull by **registration permit** Sept. 1 - Sept. 20
[TIER II] permit only; [UP TO 300 PERMITS MAY BE ISSUED].

What is the issue you would like the board to address and why? We would like the Board of Game to replace the TM680 Tier II, Unit 19A moose hunt with a registration hunt.
