

**PROPOSAL 129**

**5 AAC 85.045. Hunting seasons and bag limits for moose.**

Expand the hunt area boundaries for the antlerless moose hunt in Unit 15C as follows:

Expand the boundaries of the Homer cow moose hunt as follows... Beginning at the mouth of Deep Creek then easterly along Deep Creek to Caribou Lake to the outlet of Fox Creek, then south along Fox Creek to the mouth of Fox Creek.

**What is the issue you would like the board to address and why?** Since the inception of the Homer cow moose hunt (DM549) the land that was once open has for the most part been developed and/or posted. This has resulted in increasing conflict as hunting effort is concentrated in only a few legal areas.

Research has shown that cows in Unit 15C wander widely and that expanding the area of the hunt would not be detrimental to the overall moose population.
