

PROPOSAL 143

5 AAC 92.044. Permit for hunting bear with the use of bait or scent lures.

Restrict bear bait stations within a half mile of certain structures in Unit 15 as follows:

Change the restriction from 1 mile to 1/2 mile from structure.

You may not set up a bait station within 1/2 mile of a:

-house (including your own)

-school

-business

ETC

What is the issue you would like the board to address and why? Setting up bear baits within 1 mile of a structure. Restricts access to a lot of land for bear baiting.
