

PROPOSAL 79

5 AAC 84.270. Furbearer trapping.

Extend the wolf trapping season in Unit 14A as follows:

Unit 14A wolf trapping season extended by one month to April 30th.

What is the issue you would like the board to address and why? To lengthen wolf trapping season in Unit 14A by one month to April 30th like all of the other units in Alaska. I think by having one extra month it'll give more time as the weather is changing to be able to harvest more wolves.

Did you develop your proposal in coordination with others, or with your local fish and game advisory committee? No. I trap all over in Alaska and having that one extra month like over in Unit 16 helps tremendously in reducing predator numbers.
