**ALASKA BOARD OF FISHERIES**  
**Long-Term Meeting Cycle**  
 (Three-Year Cycle)

The board meeting cycle generally occurs from October through March. The board considers changes to regulations on a three-year, region-based cycle. Fisheries include subsistence, sport, guided sport, personal use, and commercial. Special petition and agenda change request procedures are available for the board to consider out-of-cycle requests.

Notes:

- In the year preceding a board cycle, the board will announce a call for proposals that prescribes which regions, species, and fisheries are set for regulatory review. Proposals for the upcoming cycle are generally accepted from the time the call for proposals is announced until April 10.
- The proposal deadline is April 10 every year. If April 10 falls on a weekend, Monday, or holiday, the proposal deadline is the next closest business day.
- The meeting cycle repeats every three years.
